

# BIG MOUNTAIN & BLACK MESA

## FUNDRAISER

for

Indigenous Elders' dryland farming  
& resistance to relocation

Diné and Hopi communities have a 60+ year legacy of frontline resistance against Peabody Coal and other extractive industries.

Please contribute to support Hopi and Diné families in protecting their ancestral lands and food growing practices.

## Indigenous Solidarity Trip in-kind donations requests

We are requesting donations from community conscious companies like you in Support of Indigenous Hopi and Diné families resisting relocation & massive coal mining operations on their ancestral homelands.

We are currently seeking:

- non-perishable food: dried beans, corn meal, coffee, sunflower oil, dry soups, wild herbs and traditional spices
- garlic, winter squash, sweet potatoes
- Hopi Cultural Seeds, Lima bean seeds, and fruit trees
- Diné native seed varieties: Sunset Agastache, Bean; Pumpkin, Hubbard and Chuska Squash; Blue and Yellow Corn; Yellow Melon, Watermelon, wild flowers and native desert plants
- Farming supplies: soil, cinder blocks, plywood, bailing wire, shade cloth, water tank/jugs, fence posts, wire fencing, axe, shovel, postage stamps
- Warm gear in good condition: boots, coats (L-XXXXL), hats, new socks/gloves
- hygiene, herbal medicine for joints, heart, lungs and blood pressure regulation, muscle spasms including: Sagebrush, Ephedra, Juniper berries, Juniper leaves, Desert Rose, Yucca Fruit, Saltbrush, Pinon, and Mullein
