**BIG MOUNTAIN & BLACK MESA FUNDRAISER**

for

Indigenous Elders' dryland farming & resistance to relocation

Diné and Hopi communities have a 60+ year legacy of frontline resistance against Peabody Coal and other extractive industries.

Please contribute to support Hopi and Diné families in protecting their ancestral lands and food growing practices.

Indigenous Solidarity Trip
in-kind donations requests

We are requesting donations from community conscious companies like you in Support of Indigenous Hopi and Diné families resisting relocation & massive coal mining operations on their ancestral homelands.

We are currently seeking:

- non-perishable food: dried beans, corn meal, coffee, sunflower oil, dry soups, wild herbs and traditional spices
- garlic, winter squash, sweet potatoes
- Hopi Cultural Seeds, Lima bean seeds, and fruit trees
- Diné native seed varieties: Sunset Agastache, Bean; Pumpkin, Hubbard and Chuska Squash; Blue and Yellow Corn; Yellow Melon, Watermelon, wild flowers and native desert plants
- Farming supplies: soil, cinder blocks, plywood, bailing wire, shade cloth, water tank/jugs, fence posts, wire fencing, axe, shovel, postage stamps
- Warm gear in good condition: boots, coats (L-XXXL), hats, new socks/gloves
- hygiene, herbal medicine for joints, heart, lungs and blood pressure regulation, muscle spasms including: Sagebrush, Ephedra, Juniper berries, Juniper leaves, Desert Rose, Yucca Fruit, Saltbrush, Pinon, and Mullein
